AI Center of Excellence Accelerator

Business Challenge

Artificial Intelligence (AI) is transforming the way companies do business. Yet many organizations struggle to apply AI solutions to their most compelling business challenges and opportunities.

Our Accelerator Solution

The Infused Innovations AI Center of Excellence Accelerator helps organizations overcome these challenges and set a path to repeated AI success. Our team of experts analyzes your existing practices across the entire data and AI lifecycle, identifies key opportunities for improvement and lays out a step-by-step roadmap to apply best practices to your teams and programs and accelerate your AI success.

We then demonstrate the power of these practices side-by-side with your team as we identify, build, deploy, and integrate a high value AI solution into your business ecosystem.
Duration

12+ week engagement

Benefits

- A complete assessment of AI delivery maturity in your organization

- A list of your AI opportunities triaged by RoI and time to value

- One high-value AI model taken from idea to proof of concept

- A customized road map to repeatedly deliver high-value AI
